**Watson Cares raffles off vacation packages for juvenile diabetes research**

*ST. AUGUSTINE, Fla. (10/31/11)* – The St. Augustine Beach and St. Augustine offices of Watson Realty Corp. are celebrating the success of their combined efforts to raise money and awareness for Juvenile Diabetes Research Foundation (JDRF). Along with over a hundred of their friends, co-workers and

customers, the Watson Realty associates held an evening raffle event at the Groove Café. The event raised approximately \$5,600 and included raffles for a variety of great items and weekend getaway packages in St. Augustine, each valued at more than \$1,000.

“The Groove Café did a marvelous job hosting the event and we are so appreciative of the generosity of the local businesses that participated by donating the items and prize packages. It was a fun time had by all and we look forward to holding a similar event next year,” shared Watson Realtor Tracy Glochau, who coordinated the event. ###

**About Watson Realty Corp. “Watson Cares” Program**

In an effort to coordinate the many charitable efforts by individual Watson Realty Corp. offices, “Watson Cares” was created in the fall of 2009. The initiative allows offices to advertise internally about upcoming campaigns and join together to support one another to make every drive, event and collection an even bigger success to benefit each community.
