Mary Lou Lee Honored by Worldwide Employee Relocation Council® for Volunteer Contributions

Orlando, FL: Watson Realty Corp. is pleased to announce that Mary Lou Lee, VP and Director of Relocation, received a Meritorious Service Award during the Worldwide Employee Relocation Council® (ERC®)'s 2009 National Relocation Conference on May 14 in San Diego, CA. Worldwide ERC® annually recognizes the invaluable contributions of members through its Service Recognition Awards Program. To date, more than 1,000 members have been honored through this program.

Open to the entire Worldwide ERC® membership, the program offers three levels of service awards — Meritorious Service, Distinguished Service, and the Hall of Leaders. Senior Certified Relocation Professional status is attained when a Certified Relocation Professional, or CRP™, has earned the Distinguished Service Award. Service awards are conferred based on a merit system through which members earn certain amounts of points. Points can be earned for such participation as serving as a moderator, panelist, or speaker at any ERC® meeting program; for each editorial contribution to MOBILITY magazine or any other Worldwide ERC® publication; for active membership on a committee or task force; or for service as a committee chairman. The program formally recognizes that Worldwide ERC®'s success is a direct result of the dedication of members and the devotion of their time and expertise for the betterment of the industry.

Worldwide ERC® is the recognized industry authority on relocation and international assignments in the U.S. and major global traffic areas, providing leadership, advocacy, education and networking to global workforce mobility professionals and stakeholders through specialized training, credentialing, meeting events and information exchange. Worldwide ERC® is headquartered in the Washington, DC metropolitan area, with offices in Brussels, Belgium and Shanghai, China.
